How It Works

Contests and the dates are color coded on the calendar to match the list.

Each Contest (except the Arnold & Toronto SuperShow) has FOUR important dates:

90 days prior: CPU members must submit their Team Application form
60 days prior: the CPU submits the preliminary entry list

30 days prior: CPU members must submit final details form (flight and hotel info) and any payments required.
21 days prior: The CPU submits the final info, with hotel details, transport, any fees required, etc.
